

FAMILY FRAGMENTS

PREAMBLE: My interest in genealogy began late 1999. Over the years, a good deal of my findings were published on www.pelteret.co.za/genealogy. In October 2012, I decided to move on and explore other interests.

However, the correspondence relating to prior publications did not stop. Between 2011 - 2020 over 230 persons have been in touch, either providing information complementing that published earlier or seeking specific information. A good deal of the correspondence represented considerable work and decided research acumen on the part of the correspondent.

I have been prevailed upon to publish particularly worthwhile material as an addendum to my original publications. These are they.

FAMILY NAME: DUMINY

Gillian Mauchan : 2015/10/02, 8:12 am

I am related to Duminy Family through my 4x Gr Grandmother Wilhelmina Johanna Louisa Duminy who married Theodore Charles Whitcomb

I am researching my family history and like to cite original documents – I was wondering if you could either provide me with a copy of her parents' marriage record or can point me to the location of the Lutheran Church records you refer to.

Also I recently visited GISA to look at the church records for her marriage and children and identified the following children:

- Catharina Maria b 9 Feb 1850
- Sophia Louisa Bestly b29 Apr 1852 (my line)
- Wilhelmina Elizabeth Stadler b 05 Sep 1854
- Charles Benjamin Duminy b 19 Oct 1860 (not in your research) – presume this child also died young

You have reference to two other children

- Charles John born 5 Apr 1856 died 24 Aug 1858
- Unnamed child d 1859
